

## How to download your Yoga Scotland Insurance Cover Note

Log in to your account.

Click on the Cover Note Tab.

To print your cover note, you can do the following:

Select the text of your cover note (the text and details inside the border on this page).

Select Print from the browser File menu.

Ensure 'Print from selection' is ticked in the Printer dialog.

You can then print directly, or choose to print to file or print to PDF.

You may also take a screenshot of the selected area and save it as an image (which works on phones or tablets).

The screenshot shows a web page titled "Cover Note" with a navigation menu including "View", "Newsletters", "Edit", "Cover note", "Orders", "GBP", and "My Events". The main content area features the Yoga Scotland logo and the heading "Civil Liability Insurance". Below this, a paragraph states: "Yoga Scotland carries civil liability insurance comprising public liability insurance and professional indemnity insurance cover against Third Party claims up to a limit of £5,000,000.00." A table lists the following details:

Policy Number	13494/G15/YL/0217
Issued by	Yoga-Link (Arranged by DSC-Strand Limited)
Coverage period	1 October 2018 to 30 September 2019
Member Name	Nadi Shodana
Membership Number	606

Below the table, it states: "Nadi Shodana is covered by this policy subject to current membership being in force." The page also includes contact information for Kath McDonald, Secretary of Yoga Scotland, and a note that the insurance schedule is downloadable from [www.YogaScotland.org.uk](http://www.YogaScotland.org.uk). Enquiries should be directed to Maria Rawlings via email at [info@yogascotland.org.uk](mailto:info@yogascotland.org.uk) or by post to Maria Rawlings, 6 Southwick Road, Dalbeattie, Kirkcudbrightshire, DG5 4BS.

Two callout boxes are present: one pointing to the red-bordered content area with the text "HIGHLIGHT THIS SECTION WITH YOUR MOUSE.", and another pointing to the right side of the page with the text "THEN SEND IT TO YOUR PRINTER (FILE...PRINT...PRINT FROM SELECTION)".
